### ■ Handheld Probes for EZ-Dop and Doppler-Box

Product Description	Part Number
1 MHz Handheld Probe .....	6017
2 MHz Handheld Probe .....	6018

### ■ Handheld Pencil Probes

Product Description	Part Number
4 Mhz Handheld Pencil Probe .....	6020
8 Mhz Handheld Pencil Probe .....	6022

### ■ Click & Stay Monitoring Probes

Product Description	Part Number
2 MHz click & stay Probe – orange .....	5026
2 MHz click & stay Probe – green .....	5027

### ■ Screw Topped Monitoring Probes

Product Description	Part Number
2 MHz screw topped probe – orange .....	5028
2 MHz screw topped probe – green .....	5029

### ■ Microvascular Probes

Product Description	Part Number
16 MHz/1mm diameter (Includes isolation adaptor) .....	6586
16 MHz/2mm diameter (Includes isolation adaptor) .....	6587
16 MHz/3mm diameter (Includes isolation adaptor) .....	6588

### ■ New! DWL DiaMon Fixation Device (Headgear)

Product Description	Part Number
DiaMon fixation device for use with "click & stay" monitoring probes .....	7166
DiaMon fixation device for use with "screw topped" monitoring probes .....	7167
DiaMon fixation device with 2MHz "click & stay" probe - Unilateral .....	7168
DiaMon fixation device with 2-MHz "click & stay" probes – Bilateral .....	7170
DiaMon fixation device with 2MHz "screw topped" probe – Unilateral .....	7169
DiaMon fixation device with 2-MHz "screw topped" probes – Bilateral .....	7171

■ **DWL Elastic Headband – (probe not included)**

Product Description	Part Number
Unilateral Headband .....	7001
Bilateral Headband .....	4038
Bilateral Pediatric Headband .....	6787

■ **DWL Elastic Headband – (probes included)**

Product Description	Part Number
Unilateral Headband with 2Mhz "screw topped" probe .....	4039
Unilateral Headband with 2Mhz "click & stay" probe .....	4040
Bilateral Headband with 2-2Mhz "screw topped" probes .....	4041
Bilateral Headband with 2-2Mhz "click & stay" probes .....	4042

■ **DWL Carry Bag**

Safely carry your EZ Dop or Doppler-Box and ancillary parts in this bag.

Product Description	Part Number
Carry bag for EZ Dop or Doppler Box .....	5920

■ **Adhesive Sets for Monitoring Probes**

Product Description	Part Number
Unilateral Adhesive set for "screw topped" probe. Includes fixation, 25 pads small and large plus 50g tube of TENSIVE adhesive gel .....	2051
Bilateral Adhesive set for "screw topped" probes. includes fixation, 50 pads small and large plus two tubes of TENSIVE adhesive gel.....	2052

■ **DWL Monitoring Probe Extension Cables**

Product Description	Part Number
3 Meter extension cable for 2Mhz probe – orange .....	7184
5 Meter extension cable for 2Mhz probe – orange .....	7185
3 Meter extension cable for 2Mhz probe – green .....	7186
5 Meter extension cable for 2Mhz probe – green .....	7187
